Director of Personnel
5-E-56 Headquarters

Harry -

I suggested to the Director through [redacted] that the Director consider follow-on presentations of 25-year length-of-service certificates to winners who were not present at the 2 October auditorium ceremony. The Director agrees with this proposal but suggested that it be on an annual basis rather than the semi-annual I had proposed. Will you have your people tell the key contacts in the other Directorates of this arrangement. Will you also ask your people to develop some ideas as to how many awardees would likely be available next June and also next September.

[redacted]
John W. Coffey

Deputy Director for Support 7-D-26 [redacted]
